**Special Installation Messages:**

* **Defense Service Network (DSN) Dialing Instructions**

The DSN is the provider of long-distance communications service for the Department of Defense (DoD). Every installation has a special DSN number and the numbers vary by world-wide location. In order to place a call using DSN, the caller must be using a military phone on an installation. Cell phones cannot dial DSN numbers. When dialing a DSN number from a United States installation to another United States installation, it is unnecessary to dial the DSN 312 area code. When dialing a DSN number to/from overseas locations, the DSN area code must be included. The operator can be reached at commercial (719) 567-1110. Please note that long distance charges may be incurred.

**Overview**

**Location**

Marine Corps Base Camp Lejeune is located in Onslow County in southeastern North Carolina. Camp Lejeune and the City of Jacksonville are adjacent to the New River flowing to the Onslow Beach area. Camp Lejeune occupies about 153,439 acres with 14 miles of beach on the Atlantic Ocean.

The main entrance is just east of Jacksonville, off Highway 24. The truck entrance is further to the east at the Piney Green gate, and there are additional entrances to the east and south using Highway 172 in Hubert and Sneads Ferry, respectively. Newer training areas are accessible on Highway 17 south.

Jacksonville is a military town, with a growing interest in tourism, and has been traditionally a lower cost of living area. Lower property values offer real estate investment opportunities to many military members. However, property values are on the rise, primarily near the beach and waterways. The base operator’s phone number is 910-451-1113 or DSN 312-751-1113.

**History**

Camp Lejeune had its beginnings in the early 1940’s, when a selection board decided on the New River area of North Carolina as the most ideal location for a new Marine training base. The new facility met all the requirements for an east coast division training center, especially with its location near the two deep water ports of Morehead City and Wilmington. Construction for the new camp and for its aviation counterpart, nearby Cherry Point, began in 1941. In December 1942, the installation was named in honor of the 13th Commandant of the Marine Corps, Lieutenant General John A. Lejeune. Included on the installation are more than 450 miles of roads, 6,946 buildings and facilities to support a population of approximately 137,526 marines, sailors, retirees, their families, and civilian employees. For more information, visit the Camp Lejeune home page at www.lejeune.marines.mil.

**Mission**

The mission of Marine Corps Base Camp Lejeune is to support the various Marine Corps commands, a major Navy command and a Coast Guard command as well as the Marine Corps Base (MCB) itself. Camp Lejeune owns all the real
estate, operates entry level and career level formal schools, and provides support and training for tenant commands. Camp Lejeune with its various satellite camps, housing, training areas and New River Air Station is the largest concentration of marines and sailors in the world. From the young man or woman reporting aboard for their first assignment to the seasoned veteran, and from the dense foliage of woodland cover to sandy beaches and ocean front training area, Camp Lejeune is truly the "Home of Expeditionary Forces in Readiness".

**Base Transportation**

**Sponsorship**

The sponsorship program assists inbound members with their new duty assignments. Sponsors are requested through the gaining command by contacting the current unit Sponsorship Coordinator. Relocation Specialists at both locations (the transferring command and the gaining command) are ready to assist in matters dealing with sponsorship for both the relocating member and the sponsor.

Reporting personnel are required to report to the Joint Reception Center (JRC), Buildings 59 and 60, located on Molly Pitcher Road in Service "A" uniform. The phone number is 910-451-8609.

**Temporary Quarters**

All personnel checking into Camp Lejeune are advised to make reservations for Temporary Lodging with the Inns of the Corps (hostess house) or Billeting (Transient Quarters) as far in advance as possible, since the Inns of the Corps has only 90 rooms available. During the peak summer transfer season, reservations are highly recommended prior to travel to the Camp Lejeune area. The Inns of the Corps can be reached 24 hours a day at 910-451-3041. Pet friendly rooms are now available; a non-refundable deposit applies.

**Relocation Assistance**

A "Welcome to Camp Lejeune Brief" is conducted daily in Building 60, at which time Check-Ins are completed. The brief is required of all personnel reporting to Camp Lejeune. Visit the Information and Referral office, located in Building 60, Joseph "Randy" Reichler Reception Center for relocation assistance. Electronic Welcome Aboard Packages are available upon request. Inquire about the use of the Loan Locker (Building 40), which provides basic household goods during PCS for transitioning families. Hours are Monday-Friday, 8:00 a.m. to 4:00 p.m. please call (910) 450-8486 for assistance.

**Critical Installation Information**

Quality of life construction is ongoing both on Camp Lejeune and in the surrounding areas. Several housing areas are in the process of being replaced and nearly all are being improved. New construction in the entire county is also ongoing to provide housing for additional military personnel and their families. Due to the vast amount of construction, delays in travel in and around the county may be expected until completion.

Updated enlisted quarters are being erected base wide. Traffic flow improvements are in process but will require several more years to complete.

**Sponsorship**

**Sponsorship Training**

Visit [My Training Hub](http://mccslejeune-newriver.com/smp/) and log in with your Common Access Card, or CAC, to take the eSponsorship Application & Training. The course will walk you through your sponsorship duties and help you find the resources and information your newcomer is going to need. Families can be an important part of the sponsorship process. If your family members want to learn more about sponsorship or if they want to become a sponsor, they can access the Sponsorship Awareness for Families and complete sponsorship training through My Training Hub with an email address and password. The Sponsorship Awareness for Families course includes the same resources and information as the CAC-
Moving is a way of life for service members and their families. Resources like MilitaryINSTALLATIONS, Plan My Move and Military OneSource can help smooth that transition. The Sponsorship Program supports sponsors with training and access to important information and resources.

Sponsorship Program goals include the following:

- Providing newcomers with a sense of belonging
- Easing the transition for inbound service members or civilians and their family members
- Increasing productivity
- Helping newcomers make informed decisions
- Cultivating new friendships
- Improving morale

A sponsor is assigned by a newcomer's gaining unit and helps the newcomer before, during and after a move. If you haven’t been assigned a sponsor, you can request a sponsor through your new unit or through MilitaryInstallations. Units try to match sponsors and service members by rank and family status.

Sponsorship duties include the following:

- Contacting the service member and family with an introductory email
- Following up with the member’s preferred method of contact
- Sending information about the new community and duty assignment, responding to questions and providing resource information
- Confirming transportation and lodging arrangements
- Assisting with post office arrangements
- Meeting service members and family members upon arrival
- Accompanying service members to unit check-in point
- Introducing service members to the Military and Family Support Center and loan closet, if available
- Orienting service members and families to the installation and key locations, such as the commissary

Note: Responsibilities may vary based on service-specific policies and guidance.

Youth Sponsorship Program

Many installations give kids the chance to get to meet a new friend and become acquainted with their new installation through the installation's youth program. Where available, they can exchange emails, talk on the phone or chat online. For more information, visit MilitaryINSTALLATIONS and click on Youth Services and your new installation. The youth program staff at your new installation can offer more information on the Youth Sponsorship Program. Families with children may also want to visit Military Kids Connect, an online community for military children and youth. The site offers games, videos and links to teen-led installation tours.

Directions to Installation

Directions to Camp Lejeune

Directions from Airport

Albert Ellis Airport Richlands, North Carolina 910-324-3001 Open: 24-Hour Recorded Information. Albert Ellis Airport, Richlands, NC, is located approximately 25 miles from Camp Lejeune. From Airport Road turn right onto Catherine Lake Road to Hwy 24. Follow Camp Lejeune signs to the Main Gate. Taxi fare will be approximately $40.00 to $45.00. Check the taxi meter and ensure it reads: "Time Off" and the $2.50 drop fee shows. You should only be charged for mileage.

When making flight arrangements inquire about flying into New Bern or Wilmington, NC as an alternative to Albert Ellis Airport.

Directions if Driving from the North

Coming to Camp Lejeune from the north on I-95, fifteen miles south of Smithfield take I-40 East, at Magnolia take US903 East for approximately 8 miles to Kenansville, turn Right onto State Hwy 24 East to Jacksonville. Follow Camp Lejeune signs to the Main Gate.

Directions if Driving from the South

Coming to Camp Lejeune from the south on I-95 exit on State Hwy 24 East to Jacksonville. Follow Camp Lejeune signs to the Main Gate.
Traveling by Train

Amtrak is not available in this area.

At the Gate

Upon arrival to the main gate proceed to the Welcome Center located on the right (building 818) to obtain a visitor pass. Directions to the Joint Reception Center (buildings 59 and 60) from the main gate: straight on Holcomb Blvd, through three stop lights and right on Molly Pitcher, the Center will be on the left. The local Reception Center includes Base welcome aboard, TRICARE, ID Card Center, and IPAC Check-In/Out.

Check-in Procedures

Inprocessing Procedures

All personnel reporting to Camp Lejeune must report to the Joseph Randy Reichler Reception Center, Molly Pitcher Road, Bldgs 59 and 60. Because each unit has a different procedure for processing its personnel no specific information can be given as to the actual procedures. Ensure you bring with you your orders and report in the service "A" uniform. Make sure your orders are endorsed with the date and time of arrival. It is a good idea to bring your travel log, also. It helps when your travel claim is filled out.

Personnel who arrive on the weekend or a holiday should have original orders endorsed by the duty officer located in the Joseph Randy Reichler Reception Center, Bldg. 59/60, Molly Pitcher Road, 910-451-8609.

All military members are required to attend a mandatory Marine Corps Community Services (MCCS) brief upon check-in. Spouses are encouraged to attend. Briefs are held Monday - Friday, once a day at 10:00 a.m.

If you plan to take leave immediately upon arrival, it is important that you check into the command first.

Reminder: Visit the MCCS Information and Referral office in Building 60s, room 152 and 153 to assist with your relocation. Inquire about the use of the Loan Locker. Hours: Monday-Friday, 8:00 a.m. - 4:00 p.m. 910-450-8486 building 40.

Travel Planning

Temporary Lodging

Camp Lejeune’s temporary lodging facility, Inn of the Corps, is located four miles from the main gate on Holcomb Boulevard. Consisting of 90 rooms, Inns of the Corps is near fast food restaurants, the Marine Corps Exchange, Food Court, Commissary, and banking. Inns of the Corps is open 24 hours per day, year round. Room rate is $89.00 per day. PCS reservations may be made one year in advance, TAD/TDY 90 days in advance. All others space available 30 days prior to arrival date. Retirees are welcome on a space “A” basis. Due to very high demand, reservations are strongly encouraged. Room reservations can be made by calling 910-451-3041 or DSN 312-751-3041.

Command Sponsorship

Command Sponsorship is defined as family members are authorized to be with the member while at that command. Several locations aboard Camp Lejeune are non-Command Sponsored. Those locations are all MCT and MOS producing training locations. Should the member travel with dependents to those locations financial hardships are imminent since dependent travel and Dislocation Allowance are not paid until arrival to the first permanent duty station.

What to do if you get Married Enroute

If you get married before you PCS, you must inform your commander and follow the procedures exactly as you are given them, the military will not pay for travel and housing of your spouse if you do not follow proper procedures.

Motor Vehicles

Registration and licensing requirements

State laws vary when it comes to motor vehicle insurance requirements, licensing and registration. The term vehicle generally includes automobiles, motorcycles, vans, trailers and boats regularly parked or garaged overnight. Service members and their families will want to understand their state’s laws on registration and licensing before moving to a new state. Visit the USA.gov Motor Vehicle Services page for links to state-specific websites.
**Motor vehicle laws**

State and local laws regulate the operation of motor vehicles, and these laws can vary by location. Many states regulate the following:

- Seatbelt use
- Child safety seats
- Motorcycle operation
- The use of cellphones and other digital devices while driving

Learn more about motor vehicle laws in your state at the [Distraction.gov State Laws](#) page.

**Installation Specific Information**

**Registration & Licensing Requirements**

North Carolina State law requires you to have sufficient liability insurance and a valid driver's license in order to operate a vehicle. The term “vehicle” generally includes automobiles, motorcycles, vans, trailers and boats regularly parked or garaged overnight. Further, your vehicle must be properly registered. Even though you are in the Military, you may be required to register your vehicle in-state and obtain an in-state license within a few months of moving. Access complete information on insurance, driver's licensing, and where and how to register your vehicle by visiting the [State Department of Motor Vehicles](#) website.

**State Laws**

You and your passengers must always wear seatbelts while driving, you will be ticketed and issued heavy fines if seatbelts are not secured. State law requires that all children under 7 years of age and 80 pounds be properly restrained in child seats. Some states also require younger, smaller children to sit in the back seat.

Motorcycles and their operators are subject to special laws. If you own and operate a motorcycle, you must comply with those laws. Visit the State Department of Motor Vehicles website for more information.

Many States and local jurisdictions have strict laws about the use of cell phones and other digital devices while driving. Research these laws on the State Department of Motor Vehicles website. Tickets will be issued and fines assessed for violating these laws. Play it safe and always use a “hands free” device if you must use a cell phone or other PDA while driving. Hands-free devices must be used while operating a motor vehicle on ALL military installations worldwide.

Texting while driving will be an enforced moving violation as of 1 December 2009.

**Base Vehicle Regulations**

Policy Change to Base Order P5560.2M: "Upon receipt of a Law Enforcement report of a service member or dependent for reckless driving (i.e., reckless endangerment, aggressive driving or speeding 15 MPH or more over the posted speed limit) off-base, base traffic court officers shall suspend on-base driving privileges for a minimum of 90 days after complying with the requirement of ref A, Chapter 10 (Base Traffic Court Procedures).

Additionally, base traffic court officers shall indefinitely revoke the driving privileges of repeat offenders after complying with the requirements of ref A, Chapter 10 (Base Traffic Court Procedures)."

**Traffic** -- There are over 19,000 vehicles moving through the gates at Camp Lejeune during peak hours of 5:15 to 7:30 a.m. and 4:00 - 6:00 p.m.

Vehicle Checks -- Department of Defense authorizes the military police to stop and search any vehicle on board a military installation.

**Base Vehicle Registration**

**Temporary Registration**

Temporary base vehicle registration requires a valid Armed Forces identification, a valid operator's license and, a valid state registration for the vehicle and a signed statement showing proof that the vehicle has the minimum motor vehicle liability insurance coverage required by North Carolina.

**Permanent Registration**

For permanent registration, the owner must produce a valid inspection sticker and if you are under the age of 26 you must show evidence of completing a base defensive driving course. Proof that all North Carolina insurance requirements are met is also required.

**Passenger Vehicle Regulations**

Seat belts are mandatory for all, drivers and passengers. Thirty day driving privilege suspension for failure to wear
seat belts - 1st Offense.
Radar detectors are prohibited.
Use of cell phones is prohibited when driving a vehicle on base unless the operator is equipped and using a "Hands Free" device. Thirty day driving privilege suspension for failure to use the Hands Free device - 1st Offense.
Children under five years of age or 40 pounds of weight must have a properly secured, federally approved child passenger restraint system seat.
Children under 10 years of age will be accompanied by someone 12 years or older and will not be left in a running vehicle.
Privately owned vehicles operated on Camp Lejeune must be registered at the Base Vehicle Registration Office.

Motorcycle Regulations

Motorcycle operators must meet the same requirements for registration as for a vehicle. Mandatory safety class is required for all base motorcycle operators regardless of age. Certification of attendance of a motorcycle safety class is accepted.
Safety vests must be worn and be either orange, yellow or lime green in color and have two one-inch reflective strips.
Department of Transportation approved helmets are required, and must be painted with a metallic paint or have a reflective strip.
A hard sole boot or shoe must be worn. Sandals, open toe shoes and any type of tennis shoes are prohibited.
Shatterproof glasses, goggles or a face shield attached to the helmet will be worn. Clothing will cover the upper torso, arms and legs.
All military personnel are required to wear all safety equipment off base. Long sleeved shirts are required at all times unless in the uniform of the day.

Bicycles and Bicycles with Motors (MOPEDS)

Bicycles are prohibited on Holcomb Boulevard between Brewster Boulevard and Sneads Ferry Road. Bicyclists must ride on the right side of the road with the flow of traffic and obey all traffic control devices. Reflective safety vest must be worn during hours of darkness and encouraged all hours. Bicycles/mopeds may operate during the hours of darkness if equipped with headlights, rear red reflectors, and red lights. Helmets are also required safety equipment for bicycle/moped riders and their passengers.

Runners

Runners must run facing oncoming traffic keeping at least 6' from the roadway and utilize sidewalks or paths when possible. Running on roadways is prohibited.
Reflective safety vest must be worn during hours of darkness.

PMO -- Further information is readily available from PMO, Marine Corps Base, 910-451-5811.

Education - General Overview

DoDEA Schools

Camp Lejeune and New River Air Station are home to seven Department of Defense Education Activity (DoDEA) schools. These schools are available to all ranks for all children who reside aboard either MCB Camp Lejeune or MCAS New River. Families who have received a "90-day letter" (The 90 day letter verifies that the housing office expects that you will be offered base quarters within 90 school days) from base housing may also enroll their children in the DoDEA schools; however, transportation is only provided for families living aboard the base and air station. Schools compete with the local school districts at the 1A level in baseball, softball, football, volleyball, tennis, swimming, golf, and soccer.

This link www.mccslejeune-newriver.com/efmp/ provides a myriad of resources for parents or guardians of special needs children.

All legal dependent children who reside with their military sponsor in permanent base housing are eligible to attend Camp Lejeune Dependents Schools. Military sponsors, living off base, who are certified by the Base Housing Office to receive base housing within 90 school days and who receive a Housing Office letter verifying this fact, may also enroll their children in the school system. School has a Half-day Pre-K program and full-day kindergarten program. Elementary school hours are 8:45 a.m. - 3:15 p.m.; Middle and High School hours are 7:50 a.m. - 2:35 p.m.

Entrance Requirements

DoDEA has changed its Early Child Hood Education programs entrance requirements for all DoD Schools for Calendar Year 2009-2010. Age requirement are:
Sure Start and Pre-Kindergarten Programs, a child must be 4 years of age by September 1.
Kindergarten Programs, a child must be 5 years of age by September 1.
First Grade, a child must be 6 years of age by September 1.
If you have any questions about exceptions, contact DoDEA.

Before and after school activities include Drama, Band, Choir, Glee Club, FHA, FFA, and many more that include Webinars for training.

Onslow County offers several private schools. Most are religiously affiliated. Please check with individual schools to determine accreditation.

Homeschooling is governed by Department of Non-public Instruction 919-733-4276. The Camp Lejeune chapter is accessible at http://www.echo-onslow.org/

For information about school grading information and other student information please use the following link:

North Carolina County Schools School Report Cards

This site has a wide variety of information about North Carolina public school demographics, test scores, teacher quality and more. It can be a bit challenging to navigate, so the key is to focus on the purple tabs at the top of the page. To begin, type in the name of the school or choose the county from the drop down menu. Next, click on the blue school name to bring up the information. Finally use the purple tabs at the top of the page to view information.

Adult Education

The Lifelong Learning Center is the primary education office for adult education programs at Camp Lejeune and MCAS New River and operates under the cognizance of Marine Corps Community Services and Headquarters Marine Corps. We welcome the opportunity to assist any and every service member, dependent, and civilian employee of Camp Lejeune and New River. No appointment is needed to speak with a counselor.

See the Education - Training (College/Technical) article for more information.
Education - Local Schools

How do I choose a school?
Choosing the right school for children is a priority for many military families. Finding the right educational setting for each child requires a careful examination of the available options, whether you live on and off the installation. "Choosing a School for Your Child," a publication from the U.S. Department of Education, offers checklists and questions to assist parents in making the right choices.

How do I find out about schools near my new duty station?
Several quality online tools are available. Military OneSource is a free service offered by the Department of Defense to service members and their families to help with a broad range of concerns including education, parenting and child care, relocation and the concerns of families with special-needs members. An educational consultation with a specialty consultant is available, free of charge, and can help you address specific educational needs and goals.

How can I help plan for a successful transition?
Parents often want to know about the availability of extracurricular activities and sports, or the availability of advanced classes for their children. While there are other sources that can provide some information on these topics, it is usually best to get this information by contacting the schools directly.

Education - Local Schools/Overseas

Moving from one installation to another in the United States can be challenging enough; but moving with your family overseas can be even more complex. One of the most important challenges can be summed up in one question: "Where will my children go to school?"

Where do I start?
Start with MilitaryINSTALLATIONS to learn more about your new installation. In particular, read the installation's education article. All overseas installations dedicate a portion of the education article to discussing the education options available in the local community, as well as the Department of Defense schools on the installation, if available. Most overseas installations with accompanied family members have one or more Department of Defense school.

What is the difference between a Department of Defense school and an international or national school?
The Department of Defense Education Activity, or DoDEA, operates schools in 11 foreign countries, Guam and Puerto Rico. All DoDEA schools are fully accredited by U.S. accreditation agencies and maintain high academic standards with well-rounded educational programs. Visit the DoDEA website for more detailed information.

The DoDEA's student preregistration system helps streamline the registration process and allows school officials to better predict school enrollment, make more informed decisions regarding teacher and staff requirements, and prepare for special services and supplies. Parents can preregister their children by visiting the DoDEA Online Student Pre-Registration site.

The U.S. Department of State's Office of Overseas Schools works to promote quality educational opportunities for families of American citizens overseas. If a Department of Defense school is not available, visit this site to learn more about the schools in your new area.

In general, international schools are English-language schools at overseas locations. National schools are schools where courses are taught in the native language. The curriculum and grading system of an international school tends to be similar to the traditional American education system. This may be an important consideration if your family will be returning to the U.S. before a child graduates from high school.

Where can I find a list of international schools in the country where my family is moving?
You can find a directory of overseas schools on the U.S. Department of State's Schools Worldwide page. The listing includes schools that receive assistance from the U.S. Department of State, as well as other international, private, religious and public schools.

How do I decide what school is best for my child?
Although you may not have as many choices as you had in the United States, the process for choosing a school for your child is the same. You can begin by making a list of possible schools. Next, you'll want to find out more information...
about each school. Talk to the relocation personnel at the Military and Family Support Center and with your sponsor, who may be able to put you in touch with other families with children around the same ages as yours. You may also want to contact the school and ask for references.

Once you have narrowed down your options, you may decide you want to schedule an interview with the school or schools. Here are some considerations you may want to discuss:

Curriculum
Grading system
Tuition
Accreditations
Teachers and other staff
Meals
Extracurricular programs
Transportation
Schedule
Before- and after-school programs

**Now that I have chosen a school, how do I successfully transition my child?**

Start planning for a successful school transition as soon as you learn about your move. The more your child knows about what to expect, the more confident your child will feel on the first day of school. Allow your child to be a part of the decision-making process, if appropriate, and take your child’s opinions into account.

**Education - Training (College/Technical)**

**Installation Education Center**

The Lifelong Learning Center is the primary education office for adult education programs at Camp Lejeune and MCAS New River and operates under the cognizance of Marine Corps Community Services and Headquarters Marine Corps. We welcome the opportunity to assist any and every service member, dependent, and civilian employee of Camp Lejeune and New River. No appointment is needed to speak with a counselor.

**Tuition Assistance (TA)**

TA programs make it possible for service members to afford educational opportunities. TA funds are authorized for study toward a diploma, credentials, certificates, or degrees at an academic level higher than that currently held by the service member.

TA is authorized for off-duty studies that are offered by institutions whose accrediting bodies are recognized by the Department of Education (DoEd) and listed in the American Council on Education (ACE) AIPE Manual.

TA funds are authorized up to 100% of your tuition and mandatory course fees only. (i.e. lab fees, computer fees, etc.) Mandatory course enrollment fees are those refundable fees charged by the institution that are directly related to the enrollment in a specific course offered by the institution. It does not cover the cost of books, application fees, registration fees, or graduation fees. Consult with a counselor on the eligible courses and length of time for courses.

Military members can apply for TA at the following locations:

Active duty Contact local base education center
I&I Duty Marines Apply through MARFORRES, New Orleans
Recruiters Contact your district headquarters
Veteran Affairs (VA) Programs

For information on VA educational programs visit the VA satellite office located aboard Camp Lejeune in Building 501, on the corner of McHugh Boulevard and "N" Street (across from the Consolidated Post Office). Their phone number is 910-451-0801.

**Service Members Opportunity Colleges (SOC) Agreements**

The SOC is a consortium of more than 1500 public and private colleges and universities available to assist Marines and Sailors in earning a college degree despite geographic and institutional obstacles.

A home college is the SOCMAR College where you begin your studies and complete the minimum academic residency (i.e. the number of their courses needed to qualify for their degree). When you have completed your study plan, either with your home college or, if you get transferred, at another SOCMAR college, the home college awards you a degree.

**SMART Transcripts**
SMART is an official transcript endorsing and recommending college credit for military education and training and is recognized by the American Council of Education (ACE). This form is called the Sailor/Marine American Council on Education Registry Transcript (SMART). The previous version of this form was the DD-295. In some cases, service members who have more than ten years on active duty might still require the DD-295. Please see an education counselor for more information regarding this form.

The American Council of Education (ACE), through its office of Educational Credit and Credentials, evaluates formal military training for civilian post-secondary credit. Every college assesses credit recommendations and awards credit in light of its own academic program requirements. There are no guarantees that the college will award credit as recommended by ACE.

**United States Military Apprenticeship Program (USMAP)**

Under written agreement between the United States Military Apprenticeship Program and the U.S. Department of Labor, Bureau of Apprenticeship and Training, a growing number of military skills can lead to certification of completion of apprenticeship in jobs comparable to civilian fields.

An apprenticeship is a structured system of supervised training leading to certification in a designated trade, occupation, or craft.

**Testing**

Marine Corps Base Camp Lejeune is authorized by DoD to conduct various Military Classification Tests, DANTES Testing Programs, various National Certification Examinations, and the proctoring of various exams for universities involved with Distant Learning outside the Camp Lejeune area. Personnel who are taking College Entrance exams (i.e. ACT/SAT) and other military classification tests to qualify for a military program should take them at least eight weeks prior to the application deadline (particularly for Officer Candidate Programs).

All tests are scheduled by appointment only! To schedule an exam contact Lifelong Learning, 910-451-9297/9289/3092.

**Military Academics Skills Program (MASP)**

The MASP was developed to improve the competencies of active duty enlisted personnel in the academic skills of reading, communication/writing, and mathematics. In turn, Marines will be better prepared to retake the Armed Forces Classification Test (AFCT) and to perform their mission.

Any servicemen that wish to enroll in the MASP must pick up a packet of information from the Lifelong Learning Center. The information packet contains pages that must be routed through the service member’s chain-of-command. Once approved and signed, the paperwork is returned to the Lifelong Learning Center and the service member is scheduled to take a pre-test.

Contact the Lifelong Learning Center for information on adult education opportunities that may be available on post.

**College**

Many colleges and universities section have offices located in the Base Lifelong Learning Center, 825 Stone Street:

- Campbell University
- Southern Illinois University
- University of North Carolina Wilmington
- Boston University
- Webster University
- American Military University

**Library**

**Marine Corps General Library Program**

The Marine Corps General Library Program supports the quality of life and well-being of Marines and their families amidst diverse circumstances. The Headquarters Library Program extends library services to remote Marines, coordinates policy and manages reporting requirements for the installation libraries. Twelve main libraries and 16 branch libraries provide collections, in all formats, in support of professional, educational, informational and recreational pursuits. A joint integrated library system, or ILS, and virtual library website provide online access to additional electronic resources and services.

On installations, libraries play an important role in the professional lives of Marines and their family members.
Collections include academic and professional research resources so Marines can readily locate commandant of the
Marine Corps professional reading titles, earn college degrees or certifications, update their promotion package,
prepare for transition and retirement and expand future career opportunities. Several on-installation colleges offer
orientation classes in library research skills at installation libraries. The Voluntary Education Program and libraries
work in cooperation to meet the needs of Marines receiving tuition assistance. Materials for Marines preparing for
College Level Examination Program, or CLEP, and Defense Activity for Non-Traditional Education Support, or DANTES,
tests are in high demand, and library computers are often used to take practice tests. The ILS extends the use of each
library's collection beyond the physical building. The system supports remote access to databases and the libraries' electronic catalogs and provides an online public catalog for locating and delivering interlibrary loan materials that meet a scholar's demands, a historian's needs or a hobbyist's interests.

On-installation libraries extend opportunities for community sharing, learning and entertainment for single Marines, families and families of deployed Marines. A thematic summer reading program has been standardized to support mobile military children. Library events vary by installation and may include an early literacy program, story times, makerspaces, book clubs, game nights, multicultural activities, book displays or access to a private webcam for meetings between deployed personnel and their families.

The Headquarters Library Program procures online databases to provide academic research, professional resources and recreational material available anytime, anywhere for Marines and their families. The virtual library portal provides access to a wide variety of general and subject-specific research databases for all ages, hundreds of self-improvement classes and digital magazines. Online homework tutoring is provided 24/7 through Tutor.com for K-12 students on subjects such as writing, mathematics through calculus, science and history. Librarians support cultural awareness and overseas families by registering library patrons for Transparent Language Online, an online foreign language program. Marine Corps library patrons are also eligible to access additional electronic research databases, audio and eBooks, genealogy resources and newspapers through the Navy Digital Library.

Seven of the Marine Corps general libraries have been awarded Premiere General Library certificates from the Department of Defense. Camp Foster library was selected the 2006 Federal Library/Information Center of the Year (large library category) by the Federal Library and Information Center Committee of the Library of Congress. Every success is the outcome of dedication to sustaining and improving the quality of life for Marines and the Marine Corps community.

**Morale, Welfare and Recreation Digital Library**

Our mobile military members often don't have the resources of a brick and mortar library on hand. The Morale, Welfare and Recreation digital library provides those resources for members in transit, at foreign missions or remote sites, and for deployed personnel. Access to library materials in electronic and downloadable format is available online, 24/7. The library provides recreation, lifelong learning and reference and career resources for all ages and interests. All resources, including audio and ebooks, are available free to service members anywhere there is access to the Internet.

The Morale, Welfare and Recreation digital library resources include the following:

- Books, with thousands of fiction and nonfiction titles, including animated children's books
- Databases that support education, research and career growth
- Resources that provide information on repairing a car or a small engine

Learn more about the Morale, Welfare and Recreation digital library at Military OneSource.

**Installation Specific Information**

The Camp Lejeune Main Library, Harriotte B. Smith library located in Building 1220 on Holcomb Boulevard has been awarded Premier Library Status and maintains over 100,000 classic titles. The library offers summer reading programs for adults, teens, and youth. Storytimes for preschoolers are presented at the Harriotte B. Smith Library on Thursday mornings at 9:30 a.m. and 10:30 a.m. TAG is the Teen Advisory Group at the Harriotte B. Smith Library for ages 12 to 18. Rosetta Stone is now available (almost all languages) on MarineNet for Marines with a status of active or reserve. As always, Rosetta Stone software is available at the library for all authorized patrons.

The John A. Lejeune Education Center Research & Study Center (Bldg 825, Stone Street) 910-450-9845 is set up for students to use while attending classes and co-located with the classrooms for ease of access to conduct research and study as required.

At Camp Johnson, the library (Building M-607) is open Monday through Friday, 12:30 to 9:00 p.m. and Sunday 12:30 to 7:00 p.m. Phone number is 910-450-0844.
Housing - Overview

Government Housing

Camp Lejeune family housing is considered some of the finest in the Marine Corps. The 4,447 units are well maintained and are continuously updated. Many homes have been renovated, and renovations on other quarters are either in progress or programmed. All quarters offer central air conditioning and heating.

Atlantic Marine Corps Communities - Privatized Housing

Camp Lejeune family housing units are now all under the Privatized Housing system of Atlantic Marine Corps Communities. Additional housing is being added with a current total of nearly 5,000 units for personnel of all ranks. Applications for assignment (DD Form 1746 and CG MCIEAST Addendum) to on-base PPV provided quarters should be completed and mailed, or hand carried to the Family Housing Office, Building 11 Post Lane, Camp Lejeune, as soon as a military sponsor knows of an upcoming move to this area, or within 30 calendar days of reporting for duty. The areas are Courthouse Bay, Hospital Point, MCAS New River, and Paradise Point for Officers, Berkeley Manor, Watkins Village, and MCAS New River for SNCO’s, and Midway Park, Tarawa Terrace, and Watkins Village for junior enlisted.

Experience living in a community with the amenities you deserve, the convenience you desire and the cost hundreds less than you would expect. Imagine living in a neighborhood where your commute to work is practically nonexistent, you pay no utility bills and maintenance is for us to worry about. Atlantic Marine Corps Communities offers all that and more. Come visit us and see first-hand why Military Members and their families are choosing to call Atlantic Marine Corps Communities home.

Eligibility

Military personnel accompanied by bona-fide dependents and permanently assigned to Camp Lejeune are eligible for family housing. They may apply for all types of quarters for which the individual member is eligible. Expect at least an eight-month wait for government housing for almost all ranks. The wait varies depending on the time of year, family, and rank.

Application

Camp Lejeune housing is assigned on a voluntary basis. Applications cannot be placed on the waiting list before the military member has officially reported for duty.

For housing floor plans, visit www.lejeune.marines.mil/New-Personnel/Settling-In/ and select grade and housing areas for pictures and floor plans.

Exceptional Family Member Housing

Exceptional Family Member Housing is available however coordination with the EFMP Manager is recommended prior to arrival to assist in obtaining appropriate housing upon arrival.

Non-Government Housing

Suitable housing is available in Jacksonville and the neighboring municipalities. During peak times some rentals may have long wait times. Most apartment complexes maintain a waiting list and will conduct checks for approval. Off base rentals and for sale of all types are available throughout the area.

Housing Referral Office-(HRO)--Your POC for any problems you may encounter (discrimination complaints, tenant/landlord disputes, or any questions/problems about off-post housing) is the HRO. Staff are available to assist you on a person-to-person basis in any way possible to make your move to this installation an easy and pleasant one. They can provide a list of rentals with corresponding locator maps and give you information regarding the area in which the facilities are located.

Mobile Homes

There are no Mobile Home Parks on any of the local bases, however, there are parks and lots available throughout the local area for rent and/or purchase.

Housing - Temporary

Temporary Lodging Facility (TLF)

The Inns of the Corps Lejeune is designed to provide short term housing accommodations for service and family temporarily without permanent housing due to change of station orders (PCS), and for their relatives and guests during visits to Camp Lejeune. Retired military personnel and family members may occupy the Inns of the Corps Lejeune on a
space available basis. Current rate $89.00 per day.

### Household Goods - Overview

#### Arranging Household Goods Shipments

As soon as you are alerted to your upcoming permanent change of station move, you can start getting your house and family ready. Clean up and get rid of junk. Hold a yard sale or donate serviceable items you no longer need. Gather important family records.

If you are moving overseas, begin to plan what items will go in unaccompanied baggage, in your household goods shipment and in permanent storage. Remember, in overseas areas, the electric current may be different and houses are generally much smaller than those in the United States. These are good questions to ask your sponsor.

#### Household Goods Shipping Process

The Defense Personal Property System is the online system you will use to manage your household goods shipment. For how-to guides to assist with your application go to [Move.mil](http://www.move.mil).

#### Pets

Moving with your pet includes researching airline requirements and quarantine restriction laws in your new location. Many airlines have requirements for size, weight, breed, number of animals, kennel construction, documentation and seasonal limitations. Small pets may be shipped on military flights, but availability and regulations are always changing. Search [Move.mil](http://www.move.mil) for more general information on shipping pets.

Many international locations have strict importation laws, including extended quarantines and restrictions on breeds or types of animals. Carefully research these rules as they could impact your moving schedule. You may also find some locations in the United States that have restrictions on certain animals and breeds. Review your new installation's "Shipping Pets" in [MilitaryINSTALLATIONS](http://www.militaryinstallations.mil) for details.

"It's Your Move"

Review the U.S. Transportation Command booklet, "It's Your Move," for detailed information on weight allowances, the household goods shipping process, storage, automobile shipments, claims processes and the customer satisfaction survey.

### Installation Specific Information

Effective Monday June 20, 2011, all Personal Property Services will be provided out of the temporary trailers located next to the Area 2 Gym located off of McHugh Blvd. We regret any inconveniences this might cause and we will strive to ensure you receive steadfast customer service support, in order to minimize any disruptions. All members in receipt of orders and requiring the movement of household goods will report/Check-in with the TMO receptionist located in trailer number 6, which is the far most trailer off of McHugh Blvd. The receptionist's temporary number is 910-450-8498/910-450-8409. DSN 312-750-8409. This relocation is anticipated to last for approximately six to twelve months.

### Household Goods - Shipping Pets

#### Marine Corps Official Pet Policy

The United States Marine Corps has set official policy on types of dogs allowed in installation housing and other rules surrounding pets on base. You must read this policy before you plan your move, if you plan to live in government housing.

#### Pet Boarding/Kennels

Boarding in the Jacksonville area averages $15+ per day with the owner providing food. Additional rates are charged based on services provided. It is the owner’s responsibility to ensure pet boarding arrangements have been completed prior to arrival to the new area.

Moving to a new home can be stressful for pets. Your pet may be upset by the commotion surrounding a move as well as by the travel itself. Pets may also have difficulty adjusting to new surroundings after the move has taken place. For
these reasons, animals require some special care before, during, and after a move. By keeping your animal’s safety and well-being in mind, you can make the transition to a new home easier.

Some helpful websites:

NC Animal House
Pet Care
Four Seasons
Pet Sits

There are 9 veterinary hospitals specializing in small animals in Onslow County, 7 are located in Jacksonville, 1 in Hubert and 1 in Richlands.

Veterinary Clinic and Pet Licensing, Vaccination and Registration

Base housing requires all pets be registered with the base Veterinary Clinic and be current on rabies vaccinations. If you have health records from your present military or civilian community be sure to pick them up and bring them with you to Camp Lejeune. This will help the vet verify your pets past health conditions.

Current state law requires rabies vaccination with boosters every 1 to 3 years, distemper, and heartworm treatment for cats and dogs. Costs vary based on type and weight of the pet. Registration for pets is conducted as a part of the housing application. All dogs and cats must be registered at the Veterinary Treatment Facility, Building TT-2459 within 15 days of either occupying housing or otherwise being kept aboard the Base. Re-registration is required annually to ensure animals are up to date on all required inoculations and not potentially dangerous.

Horses must be inoculated annually for equine encephalitis, rabies, influenza, tetanus, and rhinopneumonitis and must be kept current.

Military and Retired personnel who live off base, may bring their banned breed of dog on base to receive veterinary treatment provided the animal is on a leash.

Veterinary Services

Camp Lejeune Veterinary Treatment Facility is professionally staffed by Army Veterinary Corps personnel with the primary mission of providing complete veterinary care for all government owned animals.

The current staff understands how important your pet is to you and with that in mind we also offer many types of routine care services for the pets of military families. For availability of services or to schedule an appointment please call (910) 450-1607.

Due to limited manpower and resources, most veterinary emergency cases are best served through one of the local full service civilian veterinary hospital.

Pet Quarantines

There are no quarantine requirements at Camp Lejeune; however, if you are shipping your pet to an overseas location it is very important that you contact the veterinarian to insure your pet meets all requirements for the new location you are being assigned to. Each country and state has varying requirements. Check with the Camp Lejeune veterinarian as to the requirements to ship a pet to a specific area. Shipping requirements, and rabies shots vary depending upon the area the pet is to be shipped to.

Quarantines for pets currently include a 10 day quarantine for horses conducted by the base riding club.

Special Needs

The Exceptional Family Member Program

When you're moving, your to-do list can seem long enough to fill a packing box. But if your family has special medical or educational needs, help is available before, during and after your move. Enrollment in the Exceptional Family Member Program provides military families with special needs consideration during the assignment process and access to support services to help navigate the medical and educational system.

The Exceptional Family Member Program has three components:

Identification and enrollment of a family member with special medical or educational needs
Assignment coordination to determine the availability of services at the projected duty station
Support to help families identify and access programs and services

Who should enroll in the program?
Family members with special medical or educational needs lasting longer than six months are required to enroll in the EFMP including spouses, children and dependent adults who:

- Require special medical services for a chronic condition such as asthma, attention deficit disorder, diabetes, multiple sclerosis, etc.
- Receive ongoing services from a medical specialist
- Have significant behavioral health concerns
- Receive early intervention or special education services through an individualized education program or individualized family service plan

**Why enroll in the program?**

Enrollment in the EFMP is mandatory for Active Duty, and ensures that family members' documented medical and educational needs receive consideration during the assignment coordination process. Through the EFMP family support office, families can receive assistance with navigating military and community support systems.

**How do families enroll in the program?**

Families can enroll by obtaining paperwork from the EFMP medical point of contact at their local military treatment facility, The EFMP Liaison, or in the Marine Corps, from Marine Corps Community Services. The forms for enrollment are:

- Department of Defense Form 2792, "Family Member Medical Summary." The service member, spouse or adult family member completes the first page to document medical needs. The family member's physician or other qualified medical professional completes the rest and includes the diagnosis, frequency of care, medication and any special accommodations the family member requires.
- Department of Defense Form 2792-1, "Special Education/Early Intervention Summary." The sponsor, parent or legal guardian completes items one through seven of the first page to document educational needs. School or early intervention program personnel complete the remainder of the form, which includes the child's educational diagnosis. A copy of the individualized education program or individual family service plan pairs with the form.

**What is assignment coordination?**

The military mission is the driving force behind the assignment process, but enrollment in the EFMP ensures that family members' documented needs are considered in the process. Assignment coordination occurs when the personnel command requests that Department of Defense medical or educational professionals review a family member's documented needs to determine availability of services at a projected location. Assignment coordination is important because access to appropriate medical and educational services may be limited in some areas, especially in overseas and remote locations. This process helps to eliminate the need for early returns from sea, HUMS and hardship discharges.

**What is family support?**

The EFMP family support function is provided by the EFMP case liaison and helps families identify and access programs and services. Family support includes, but is not limited to, the following:

- Information and referral for military and community services
- Warm handoffs to the EFMP at the next location
- Nonclinical case management

**What is the role of the EFMP Liaison?**

The role of the family support provider includes:

- Helping families on the path to empowerment by providing information and referral services, non-medical case management, education and other supports
- Helping relocating families pinpoint and navigate formal programs and services and informal supports
- Bridging gaps in programs, services and support by informing families on what is available, and how to apply for benefits and entitlements

**How do families access their EFMP case liaison?**

Access the EFMP case liaison by visiting or calling the Fleet and Family Support Center at 202-685-0229 and asking for a referral to a special needs consultant.

**How can families help ease the transition to a new school system following a move?**

In addition to the support available from the installation Military and Family Support Centers and Military OneSource consultants, MilitaryINSTALLATIONS provides some suggestions for making the transition easier as your child enters a new school system following a move to a new duty station. The article, "Preparing for Your Move," provides tips for what to do prior to and after your move to help create a smooth transfer between schools.

Additionally, military families can learn about the Education Directory for Children with Special Needs for information...
Special Needs - EFMP Enrollment

Military families often relocate every two or three years. Below are suggestions for making the transition easier as your child enters a new school system following your family's move to a new duty station in the states or a Department of Defense Education Activity school overseas.

Relocating: things to remember

At least 30 days prior to your move:

- Notify the school or early intervention agency of your impending move and request a copy of your child's educational records.
- Obtain your child's most recent transcripts, grade reports and all pertinent medical records, including inoculation records, prescriptions and dosages.
- Contact the new school district or early intervention agency for specific information about programs on or near the installation where you will be living. Use the State, School District and Installation Information sections of the Education Directory for Children with Special Needs to identify the districts in your new location and find information about early intervention agencies. The directory provides helpful tools to assist families with infants and toddlers and school-age children transitioning to a new educational program.
- If your child has special needs and is receiving early intervention or special education services, request a copy of the following information:
  - Latest individualized education program or individualized family service plan, including the most recent progress report
  - Your child's most recent eligibility determination report for special education services, including early intervention
  - The names of textbooks or other materials that have been effective for your child
  - Adaptive equipment and assistive technology such as communication devices or modified key boards that your child uses in school

As you leave your duty station, you should:

- Hand carry a copy of your child's inoculation records and the information you collected about your child's educational program.
- Take any special equipment, medication refills and supplies (for example, hearing aid batteries) that your child may need in the next two months.
- Keep contact information for your child's current teacher or early intervention specialist in case there are questions at your new school or early intervention agency.

When you arrive at your new duty station, you should:

- Take the hand-carried educational information, including immunization records, with you to enroll your child in the local school.
- Notify the new school that your child has special needs. Sign appropriate releases so the new school can request official copies of your child's records.
- Request copies of any publications about the school's special education services.

It is easier for the receiving school to start the appropriate special education or early intervention services for your child when you hand-carry important information about your child. The current individualized education program will be recognized by the school's special education committee and interim services can be provided within days. Each state has different policies or procedures that guide its special education and early intervention programs. Do not expect to use the same forms and procedures that were used at your previous location. You should expect that every effort will be made to meet your child's needs.

Special Needs - EFMP Family Support

Background

The Education Directory for Children with Special Needs was developed to support military families who have children (birth through 21) with special educational needs. Military families can consult the directory for information on
special-needs issues and listings of national and local resources for early intervention (for infants and toddlers) and special education (for school-age children) services.

**Highlights**

The Education Directory for Children with Special Needs is a valuable resource for military families. The directory:
- helps families identify the early intervention agencies and public school districts located near the installation prior to moving
- allows users to make more informed decisions and more easily navigate local early intervention and special education systems
- includes information on a range of disabilities affecting school-age children and on early intervention service providers and resources for infants and toddlers
- provides practical suggestions (Tools for a Smooth Transition) for relocating families

**Special Needs - Health Care**

**Military treatment facilities**

The clinics and services available at military treatment facilities vary by location. Before you move, identify the military treatment facility that will serve you, visit its website to learn about the services available and get contact information.

**Moving to a new TRICARE region**

If you anticipate a move to another TRICARE region, work with your local TRICARE service center or case manager before your move to ensure the transition is as smooth as possible. On arrival at the new duty location, you or your sponsor should contact the beneficiary counseling and assistance coordinator or the TRICARE service center to ensure the transition plans are in place and to obtain authorizations for TRICARE Extended Care Health Option services, if applicable.

**Beneficiary counseling and assistance coordinator**

All TRICARE regional offices and most military treatment facilities are staffed with beneficiary counseling and assistance coordinators. They provide information, guidance and assistance on benefit options, TRICARE Prime enrollment, special authorizations, status of claims, eligibility and assistance with referrals and appointments. If you or your family member has more severe needs, contact your TRICARE case manager.

**Case management**

Case management involves a team of health care professionals who help you and your family find solutions to complex health problems. It is important to inform your case manager if you are moving as he or she will connect you with the case manager at your new location.

**Extended Care Health Option**

The Extended Care Health Option provides financial assistance to beneficiaries of active-duty service members who qualify based on specific mental or physical disabilities. The Extended Care Health Option offers an integrated set of services and supplies beyond the basic TRICARE program. Regional contractors in each of the TRICARE regions and overseas administer the program.

**Transporting medical equipment**

Contact your installation’s household goods/transportation office for information on special procedures for the transportation of medical equipment.

**Federal and state health care programs**

Medicaid provides health coverage for individuals and families with low incomes or have a disability. The department of social services or the department of medical assistance may administer the Medicaid program in your state. Supplemental Security Income, or SSI, is a cash assistance program intended to meet basic needs for disabled adults and children who have limited resources. Families must reapply after moving to a new state.

Many states offer services for children with special health care needs funded by the Maternal and Child Health Services Block Grant, or Title V. State departments of health websites and local health departments can provide information on state health benefits. The Maternal and Child Health Bureau website has more information, including state points of contact.

**Other important resources**
TRICARE debt collection assistance officers assigned to regional offices and military treatment facilities worldwide can help beneficiaries understand and get assistance with debt collection issues related to TRICARE.

Installation Specific Information

The Exceptional Family Member Program (EFMP) is designed to provide assistance to active duty personnel with family members who have special needs before, during and after relocation due to Permanent Change of Station (PCS) orders. It is a mandatory enrollment program (MCO P1754.4A) for active duty.

An exceptional family member is an authorized family member (spouse, child, stepchild, adopted child, foster child or a dependent parent) residing with the sponsor who may require special medical or educational services based upon a diagnosed physical, intellectual or emotional need. This includes Asthma, Cerebral Palsy, Mental Retardation, Dyslexia, ADD, ADHD, Autism, Oppositional Defiant Disorder or Depression. Disabilities may range from mild to severe.

Education - Special Education/EIS

Early Intervention and Special Education Services

Children from birth to 3 years of age
The Individuals with Disabilities Education Act, or IDEA, requires all states and territories to provide early intervention services to children from birth to 3 years of age who have or are at risk for having developmental delays. Local school districts or health departments often provide these early intervention services. The program is called by different names in different areas, but it is often called Part C (because Part C is the section of the law that pertains to early intervention). The National Early Childhood Technical Assistance Center provides a list of state Part C directors and funded programs on their website. Also, Military OneSource can assist you in identifying early intervention programs in your area.

When moving, you should hand carry copies of your child’s individual family service plan and the most current evaluation reports to your new home to ensure they are not lost.

Children between 3 and 21 years of age
The IDEA requires all states and territories provide special education services to eligible children between the ages of 3 and 21. Each local school district has a special education director, and each school should have an individualized education program team or school-based committee that attends to students with special education needs.

The IDEA requires that if a child transfers to a different district in the same state, the receiving school must provide comparable services until the new school develops and implements a new individualized education program. If a child transfers to another state, the receiving district must provide comparable services until the receiving district completes an evaluation and creates a new individualized education program.

If you are moving and your child receives special education and related services, you should hand carry all pertinent school and medical documents, including the individualized education program and current evaluation reports. Hand carrying these documents ensures that they are not lost and allows the new school district to begin the process as soon as you move.

Other resources
Parent Training and Information Centers serve families and adults with special needs from birth to age 26. They assist families in getting appropriate education and services for their children, work to improve education services for all children, train and inform parents and professionals, resolve problems between families and schools or other agencies, and connect those with disabilities to community resources. Find out more at the Center for Parent Information and Resources website.

Installation Specific Information

School Age (3-21 years) - Domestic Dependent Elementary and Secondary Schools (DDESS)

The Camp Lejeune Dependents Schools provides special education to children from 3 through 21 years of age who meet the housing eligibility requirements for attending a stateside Department of Defense school and meet the Department of Defense criteria for special education services.

Services are provided to students with all types and levels of disabilities within a variety of settings.
Preschool children with disabilities are educated in a full inclusion preschool program. Due to the small nature of the school system and geographical location, there may be some specialized services for students that are contracted out to the local public school or another agency. There has been some difficulty at times finding specific services, such as a vision specialist, to provide services in this area.

Four Year Old Preschool Program

Camp Lejeune Dependents Schools also provides a universal four year old preschool program for all children who meet the housing requirement for attending the Camp Lejeune schools and who are four years old by October 16th of the current school year. This is a half day preschool program provided at no cost to the parents. Questions about this program can be directed to the Student Services Office.

Special Education Records

Parents of children enrolled in special education should hand-carry all pertinent school and medical documents to include their children’s Individualized Education Program (IEP) and current testing and evaluation reports to provide to the new school.

Specialized Equipment or Instruction If you have a child who requires a specialized service and/or equipment (for example large print books, an FM trainer or Braille services), call the Student Services office at the Community Superintendent’s Office to obtain specific information about services and to help facilitate a smooth transition to Camp Lejeune Schools.

Health Care - Overview

Moving with TRICARE

When you move, TRICARE moves with you. It's there before, during and when you get to your next duty station. It's available worldwide. There are steps you need to take to make sure changes to your TRICARE coverage go smoothly. With your move, you may have to use a different TRICARE option.

Please note:

You and your family members have to show as TRICARE eligible in the Defense Enrollment Eligibility Reporting System, or DEERS.
For TRICARE plan information, visit the TRICARE Plan Information Kits page.
Regional and overseas contractor information is available on TRICARE's Contact Us page.
Print out the TRICARE contact wallet card and keep it with you.
Always keep personal contact information current in DEERS, especially your address and email.

Prime options

Prime options in the United States

If you live in a Prime Service Area, then TRICARE Prime is an option for you. A Prime Service Area is usually within a 40-mile area of a military clinic or hospital. With Prime, you have a primary care manager, who may be a military or civilian doctor or a team of doctors, who manages your health care needs.

Some active-duty family members may enroll in the U.S. Family Health Plan, or USFHP. The USFHP offers a TRICARE Prime-like option in six areas of the United States. You'll get all care (including prescription drug coverage) from a network provider. With the USFHP, you can't get care at military hospitals and clinics or from TRICARE network providers (emergency exceptions). You have to work with USFHP when get care overseas. Visit the U.S. Family Health Plan page for more information.
If you don’t live in a Prime Service Area, TRICARE Prime Remote is your other option. Eligible family members have to live with their active-duty sponsor (with some exceptions) to enroll in TRICARE Prime Remote. In most cases, your primary care manager is a network provider. If there’s no local network provider, you can choose any TRICARE-authorized provider to act as your primary care manager.

**Prime options overseas (including U.S. territories)**

In overseas locations, you have two options for care:

**TRICARE Overseas Program-Prime** is for active-duty service members assigned overseas. Units are near military clinics and hospitals. To enroll in the program, family members must be command-sponsored. Your primary care manager is a military provider or team of providers.

**TRICARE Overseas Program-Prime Remote** is available in certain remote overseas locations. It’s for assigned active-duty service members and their command-sponsored family members. Your primary care manager is the overseas contractor who you contact through regional and country specific call centers.

*Note:* Active-duty service members must enroll in a Prime option.

When you know you’re going to move, call your current TRICARE stateside overseas contractor. Find out if your new location is in a new region and talk about your TRICARE options.

**Transferring your TRICARE Prime/Prime Remote coverage**

When you move, your Prime options may change. You have to transfer your enrollment if you move to a different region. Some family members may have to disenroll and use TRICARE Standard. Options may vary for each family member. Remember, to enroll in a Prime option overseas, family members must be command-sponsored.

If you move within your current region, you still need to find out if your Prime option changes. You may only need to get a new primary care manager. Again, call your current TRICARE regional or USFHP contractor to talk about your move and your TRICARE options. Follow these steps to transfer your enrollment by phone:

**Call your current TRICARE regional or USFHP contractor** to transfer your enrollment or get a new primary care manager. The contractor will ask about you, your family, where you’re moving to and the estimated date you’ll get to your new duty station. Your current contractor then shares your information with your new contractor. If you only need a new primary care manager, they will work with you to make that happen. Your new contractor will call you within five business days of your expected arrival date to discuss your Prime enrollment and primary care manager options. Your enrollment transfer will be the day your new contractor calls and you agree to the transfer. It may take up to four business days to record your transfer. You will still have Prime coverage with your old region until the transfer is complete.

**Update your address in DEERS** as soon as you get to your new location, even if you’re in temporary housing. **Log into milConnect** to check on your enrollment. You can see who your primary care manager is and print out an enrollment card.

*Note:* Don’t disenroll from Prime before you move.

Other ways to transfer your enrollment include:

**Transfer your enrollment online using TRICARE’s Beneficiary Web Enrollment Tool.** The Beneficiary Web Enrollment Tool will be available in 2016 for those moving stateside from an overseas location. In the Beneficiary Web Enrollment Tool, you can set a date up to 90 days in the future as your enrollment transfer date.

**Call your new contractor** when you arrive in your new duty location. They can transfer your enrollment over the phone.

**Download an enrollment form** and mail it to the regional contractor for your new region. Remember to note the date you want the transfer to go into effect. Enrollment information for the USFHP is available on the U.S. Family Health Plan page.

**Enroll** when you in-process at your new duty location. To learn more, visit the TRICARE Moving page.

**TRICARE Standard and Extra**

TRICARE Standard and Extra is an option for active-duty family members. You don’t have to enroll—coverage is automatic as long as you show as TRICARE eligible in DEERS. With TRICARE Standard or Extra you can see any TRICARE-authorized provider, non-network or network. You pay a deductible and costs shares.

**If you visit a non-network provider,** you’re using the Standard option. You may have to pay in full up front and file a claim for reimbursement.

**If you visit a network provider,** you’re using the Extra option. You only need to pay your cost share at your appointment.

If you’re a family member and don’t want to enroll in TRICARE Overseas Program-Prime, or can’t enroll because you’re not command-sponsored, you have TRICARE Overseas Program-Standard. You can see any civilian provider
(except in the Philippines).

If you want or have to use TRICARE Standard when you move, call the new regional contractor to disenroll from Prime when you get to your new location.

If you already using TRICARE Standard and Extra:

**Once you get to your new location, update your personal information in DEERS** as soon as possible. You can update your personal information through milConnect, through TRICARE's Beneficiary Web Enrollment Tool or calling the Defense Manpower Data Center toll-free at 800-538-9552; TTY/TTD: 866-363-2883.

**Find a provider.** If you are within the United States, you can find network and non-network providers by region through the TRICARE Find a Doctor page. If you are overseas, you can find a provider through the TRICARE Overseas website or call the overseas regional call center.

If you're in a new region, the claims address changes. Check the TRICARE Filing Claims page for your new mailing address.

**TRICARE For Life**

TRICARE For Life is for those who have Medicare and TRICARE. You don't have to enroll - coverage is automatic as long as you show in DEERS as TRICARE-eligible and have Medicare Part A and Part B if needed. When you go to a Medicare doctor, show your Medicare and uniformed service identification cards. Your provider files your claims with Medicare. Medicare pays first and sends the claim to the TRICARE For Life claims processor. TRICARE then pays second for TRICARE-covered services.

If you're an active-duty family member, you don't have to have Medicare Part B to keep your TRICARE benefits. You must have Part B to keep TRICARE once your sponsor retires.

When you move, update your personal information in DEERS as soon as possible. To find a new provider:

**If you are within the United States or in U.S. territories** (Guam, Puerto Rico, the Northern Mariana Islands, American Samoa or the U.S. Virgin Islands), you can search the Medicare Provider Directory or call 800-633-4227 to find a Medicare-certified provider. Visit the Medicare website or the TRICARE For Life website to learn more.

**If you are at an overseas location**, TRICARE For Life works a little differently. Medicare doesn't pay for care overseas, TRICARE is your primary payer. You may get care from any civilian provider. You pay upfront and then file a claim with the TRICARE overseas contractor. You have to pay TRICARE Standard deductibles and cost shares. You can find a provider through the TRICARE Overseas website or call the overseas regional call center.

**Getting care along the way**

Before you move, take care of any routine medical needs, including immunizations. Fill your prescriptions so you have enough while traveling. TRICARE defines emergency care as "medical services provided for a sudden or unexpected medical or psychiatric condition or the sudden worsening of a chronic condition that is threatening to life, limb or sight and needs immediate medical treatment or a condition which has painful symptoms that need immediate relief to stop suffering." TRICARE defines urgent care as "medical care for a condition that will not result in disability or death if not treated immediately but should be treated within 24 hours to avoid further complications."

**Emergency care when stateside** – If you require emergency care while traveling in the United States, call 911 or go to the nearest emergency room. Then call your primary care manager or regional contractor within 24 hours of being seen.

**Urgent care when stateside** – If you require urgent care while traveling in the United States, are using a Prime option and you're close to a military hospital or clinic, go there. You have priority access and you don't need a referral to be seen. Otherwise, if you have Prime, call or contact your primary care manager for a referral and authorization. If you don't get a referral and authorization before being seen, you'll pay the higher point-of-service deductible and cost share. If you have Prime Remote and don't have an assigned primary care manager, call the provider that acts as your primary provider or call your regional contractor.

**Emergency care when overseas** – For emergency care, go to the nearest emergency care location. If you're using TRICARE Overseas Program-Prime or Prime Remote, call International SOS Medical Assistance within 24 hours or on the next business day to get an authorization for the visit and needed ongoing care, and claims payment information.

**Urgent care when overseas** – For urgent care, go to the nearest military clinic or hospital if possible. Visit a U.S. embassy or call the overseas regional call center. You need an authorization before you see a civilian provider. The call center can help you find one. Without an authorization, you'll end up paying a higher point-of-service deductible and cost share. Your claim may be denied if you’re an active-duty member. More information is available on the TRICARE Service Center and TRICARE Area Office websites.

If you're using TRICARE Standard or TRICARE For Life, you may get urgent care from any TRICARE-authorized provider. If it's after clinic hours or you're not sure if you need to see a doctor, call TRICARE's Nurse Advice Line at 800-874-2273.

**Filling prescriptions while traveling**
If you run out of a prescription drug while traveling, contact your military or civilian provider. If you have refills on a military clinic prescription, check to see if your prescription can be moved to and filled by another military treatment facility. If you have refills on your prescription with a major retail pharmacy chain, check with the chain to see if they can transfer your prescription to a local chain pharmacy. If you have refills on a drug you get through TRICARE home delivery, call the TRICARE pharmacy contractor to see what can be done.

If you are within the United States or in U.S. territories and a doctor puts you on a new drug, fill your prescription at a military pharmacy or TRICARE retail network pharmacy. If you are Prime and use a non-network pharmacy, you pay the higher point-of-service deductible and cost share. You may have to pay out of pocket for your drug(s). If so, file a claim with the TRICARE pharmacy contractor. If you are still in an overseas Prime option, you file your claim with the overseas contractor.

If you are at an overseas location, and a doctor puts you on a new drug, fill your prescription at a military pharmacy or go to a civilian pharmacy. You will likely have to pay out of pocket. You file your claim with the TRICARE overseas contractor, even if you are enrolled in a stateside Prime option.

Getting dental care while traveling

Getting dental care while traveling depends on your location and whether you are a service member or family member.

If you are an active-duty service member within the United States or in U.S. territories, you can receive dental care at a military dental clinic. Contact the Active Duty Dental Care Program before you see a dentist and tell the contractor about your move. You will need to get an authorization before you see a dentist. The Active Duty Dental Care Program will work with you so you can get care from a local network dentist. For dental emergencies, go to a military dental clinic if possible. If not, get care from any civilian network dentist and have the dentist give you paperwork showing what he or she did during the visit. Make sure you get the dentist’s contact information and call the Active Duty Dental Care Program contractor immediately to let them know about your care so they can work with you to make sure they can pay the claim.

If you are an active-duty service at an overseas location, you can call the overseas regional call center to get authorization before you see a civilian dentist.

If you are an active-duty family member within the United States, in U.S. territories or at an overseas location, you can find out if any nearby military dental treatment facility treats active-duty family members. If you’re enrolled in the TRICARE Dental Program, call the TRICARE Dental Program contractor or visit their website to find a provider. You will need to get an authorization before you see the dentist.

Permanent change of station for active-duty service members

With permanent change of station orders, ask for a copy of your medical and dental records from your personnel office, providers/dentists, and medical or dental clinics. Do this at least one month before your permanent change of station date. This way you may be able to carry records to your new duty station.

You may ask providers or the military clinic to transfer your family’s medical records to the military hospital or clinic nearest to your new duty station. You may ask to have copies of their records to carry with you or them as well. (You may have to pay to get their records copied.) If you want someone else to be able to get medical or dental information on you or your family while you are moving, you need to complete a DD Form 2870, "Authorization for Disclosure of Medical or Dental Information."

Find more about moving, updating DEERS, the TRICARE regions, pharmacy, dental and much more through the TRICARE website or the TRICARE Moving page.

Installation Specific Information

Installation Hospital

The Camp Lejeune Naval Hospital is one of the newest military hospitals in the South and boasts a 117-bed capacity expandable to a 236-bed capacity. It is staffed with most major medical specialties. However, services available to eligible beneficiaries may vary depending on current resources.

If you are on leave and an emergency occurs, contact your Primary Care Manager (PCM) within 24-hours of receiving emergency care. If you are unable to do so have a family member or friend contact your base medical care facility. Any bill you may obtain while out of the area may be submitted to TRICARE via your BAS/RAS/Clinic.

The hospital is a compact unit, consisting of a 4-story clinical and support building. In 1983 the bed capacity was 205, expandable to 236. The Surgical Suite consisted of 5 operating rooms, and the Obstetrical Suite had 5 labor rooms and 3 delivery rooms. In January 2005, Naval Hospital Camp Lejeune became the primary casualty receiving facility when II MEF became the predominant force in theater in continuing OIF, receiving about 30 casualties of war, monthly. Currently, the hospital has deployed staff in Iraq, Afghanistan, Kuwait, Kosovo, Cuba, Horn of Africa and the Republic of Georgia.

All members and their dependents have access to medical benefits provided they have their Identification Card and be
enrolled in TRICARE Prime. Services are available to Active Duty and their family members, retirees and their family members or survivors. Certain Reserve component members and their family members are also included. Enrollment capacity varies and space availability is subject to change.

Access to Care

For Emergency care call 911 or proceed to the nearest emergency room. The hospital offers Nurse Advice Line 24 hours a day 910-450-HELP (4357). The nurse will make an assessment and determine any health care needs. If needed, the nurse can refer patients to the Emergency Room or schedule an appointment for the appropriate after hours clinic with a Primary Care Manager.

Pharmacy Services

All hand written civilian prescriptions will be primarily filled at the MCX Exchange Pharmacy (located within the Exchange Mall Complex), while prescriptions that have been entered into the Naval Hospital Composite Health Care Computer System by the provider should be filled at the Naval Hospital Pharmacy or from the respective pharmacy site where the prescription was originally entered. The MCX pharmacy can be reached by calling 910-451-3554.

Marine Corps Exchange Pharmacy Hours:
Mon-Fri: 9:00 a.m. - 8:00 p.m.
Sat: 9:00 a.m. - 5:00 p.m.
Sun: 12:00 - 4:00 p.m.
Federal Holidays: Closed

For more information about the hospital visit the Camp Lejeune Naval Hospital website.

Dental Care

Dental services are provided to the active duty military personnel of II MEF and Base commands through the eight clinics aboard the base. The clinics provide space-available dental care to eligible family members and military retirees. United Concordia Companies, Inc. (UCCI) covers comprehensive dental care for family members of active duty personnel who choose to have their dental care provided by a private dentist in the local Onslow County area.

Child and Youth Programs

The Department of Defense takes great pride in the variety and quality of services provided to children and youth on installations worldwide. While the services provided may vary by location, the standards and quality of services are consistent and meet established regulations.

Child Development Centers

Child development centers, or CDCs, generally offer child care for children ages 6 weeks to 5 years. Care is available Monday through Friday, with some locations offering options, such as extended hours, weekend care and respite care. Child development centers vary in size and larger installations may operate multiple facilities. Programs are certified by the Department of Defense and accredited by a national accrediting body, such as the National Association for the Education of Young Children.

Family Child Care

Children ages 6 weeks to 12 years may receive care in the private home of a certified family child care provider living in government-owned or leased housing. Family child care is typically available weekdays and with additional care provided during evenings, weekends and flexible hourly care for shift work. Regulations limit the number of children who receive care at any one time to no more than six children under age 8 and no more than two children under age 2. Family child care providers must be certified to operate by the installation. Individual providers may voluntarily seek national accreditation from the National Association of Family Child Care and are provided local support, training and materials to accomplish this goal.

School-Age Care Programs

School-age care programs provide care to children in kindergarten through sixth grade. Care is offered before and after school, during non-school days and summer vacations. School-age care programs may be located in Department of Defense youth centers, child development centers or in other suitable facilities. All programs are certified by the Department of Defense and accredited by a national accrediting body, such as the Council on Accreditation.

Requesting Child Care

Military families may request child care by visiting MilitaryChildCare.com. This Department of Defense website
serves all military families seeking child care (including Child Development Centers, Family Child Care and school age care programs) and provides access to military-operated child care options world-wide. Families may search for and request care, manage their requests, and update their profile online, simplifying the process for finding child care.

**Youth Programs**

Dynamic programs for youth ages 5 through 18 years are provided in approximately 300 youth and teen program facilities worldwide. A wide variety of offerings includes activities in physical fitness and sports, the arts, life skills, career and volunteer opportunities. Installation programs may also collaborate with other youth-serving organizations, like the Boys & Girls Clubs of America and USDA/4-H programs.

**Child Care**

**Child Development Centers (CDC)**

**Availability**

Child Care services available aboard Camp Lejeune include; full-time care, part-day preschool, toddler play groups, hourly care, Special Events and special needs care at the Child Development Centers.

When the Child Development Centers (CDC) are at a maximum capacity, children will be placed on the waiting list by the Resource and Referral Office. This may be done prior to transfer by providing a DoD Request For Care, Form 2606, and a copy of your orders to the Resource and Referral office.

**Costs**

Fees for the centers are based on total family income. Hourly care rate is $3.00 per hour, for first child and $2.00 per hour for siblings.

**Eligibility**

Child Development Centers - Children six weeks through 12 years of age of military and Department of Defense civilian personnel, reservists on active duty or during inactive personnel training and DoD contractors are eligible for services. All immunizations must be up to date or waived due to religious affiliation upon enrolling your child in a Children and Youth Program.

**Registration**

To register, parents must provide:

- Child’s shot records
- Sponsor’s current Leave and Earnings Statement (LES)/pay stub
Child’s social security number
Food Stamps, School Lunch, AFDC and Medicare numbers
Power of Attorney if sponsor is deployed
NAVMC 10922 (Application for BAQ) or copy of dependent data page from the Marine Corps Total Force System, if claiming single parent status
Family Care Plan is required (dual or single active duty)
Sponsor must sign forms to complete registration.

Patrons using the CDC and SAC portions of the Children, Youth and Teen Programs must register at the Children, Youth and Teen Programs Office, Building 1966. Registration hours are from 8 am to 4 pm Monday through Friday.

**Family Child Care Program (FCC)**

Full-time care, part-time care, hourly care, extended hours, special needs or respite care is available in On or Off Base Family Child Care homes. Homes are also available for Saturday evening and special events care.

The Family Child Care (FCC) Administrative Office is located in Bldg TT-91. This program refers to an authorized provider in a family housing unit, caring for six or less children on a regular basis for more than 10 hours a week. Occasional baby-sitting is not considered a Family Child Care home. Family Child Care Providers undergo an orientation process, a complete background check, on-going training in child development and they must hold a current certificate in infant/child/adult CPR and First Aid.

Fees are negotiable between provider and patron. Family Child Care Staff provide oversight, technical assistance and visit the family child care homes unannounced once a month. Family Child Care homes offer full-time, part-time, hourly, extended hours and respite care (in emergency situations). Contact the Resource and Referral Office for referrals to the Family Child Care Program.

**Respite Care**

This program offers child care for military families in crisis. No charges are made to the family. Qualifying situations include medical emergencies, hospitalization or surgery of service member or spouse, incapacitation of family member, early birth of a second or subsequent child if spouse is not in the area, recuperation from illness, attendance at counseling sessions, attendance at Marriage Enrichment or Parenting workshops or severe emotional pressure diagnosed by a mental health care provider. Eligible families must contact a unit key coordinator, unit commander, chaplain, Naval Hospital physician/social worker, or Marine New Parent Support Program nurse/social worker for assistance. These persons will contact Children, Youth and Teen Programs.

**School Age Programs**

The Camp Lejeune Children and Youth Programs Branch offer affordable options to meet the needs of our military families. After registering, you have access to the following programs:

- Full-time childcare for ages 6 weeks to 12 years
- Hourly Care
- Family Child Care
- Before/After School Care

Youth Services

Youth Services

The Camp Lejeune Children and Youth Programs (CY) offers affordable options to meet the needs of our military families. After registering, you have access to any of our teen programs.

Many of the local schools use the Student 2 Student (S2S) program through the Military Child Education Coalition to access current curriculum and credits required. The Camp Lejeune Schools use the current military sponsorship program in addition to the base School Liaison Office.

Registration

New Parent Support Program

Marine Corps New Parent Support Program

The New Parent Support Program is an early intervention service for families who are expecting or have a child 5 years of age or younger. The primary focus of the New Parent Support Program is intensive home visitation services tailored to meet the unique needs of each family and help them cope with stress, isolation, deployment, post-deployment reunions and the everyday demands of parenthood. In addition to home visits, expectant parents and parents of newborns and young children can participate in a variety of programs, such as support groups and parenting classes designed to help parents learn new parenting skills and provide an optimal learning environment for their children. Confidential services also offer new and expecting parents the opportunity to express concerns and ask questions.

Program highlights
These programs and services are available through the Marine Corps New Parent Support Program:

**Baby Boot Camp** - These classes provide new and expectant parents with an understanding of an infant's world and the basic skills necessary for loving, safe care. Classes include topics such as breastfeeding, bonding and attachment, and self-care.

**Parenting classes** - These classes provide hands-on parenting education to support healthy children and positive family relationships. Parenting topics include infant massage, newborn care and discipline.

**Referrals** - Assistance with information and referrals link families with appropriate military and community services.

**Play morning** - This interactive playgroup helps teach parents about developmentally appropriate play and helps children improve their social, cognitive and motor skills. Parents must provide signed documentation of their child's immunizations to participate.

**Home visits** - Parents receive education and support by a caring professional in the privacy of their home. These services are available to families regardless of whether they live on or off the military installation.

Staff qualifications
The New Parent Support Program is a professional team of licensed social workers, marriage and family therapists and registered nurses skilled in child development and sensitive to the challenges facing military families.

Eligibility
Service members and their families stationed at or near a Marine Corps installation who are expecting a child or have a child under 6 years of age are eligible for all services, free of charge, offered by the New Parent Support Program.

Getting started
Enrollment is easy. Just call the New Parent Support Program on your installation during regular business hours. Find the program through MilitaryINSTALLATIONS. Select New Parent Support Program and your installation from the drop-down menus.

Family Center

Programs and services

As a gateway to the resources you need, the Military and Family Support Center provides information, support and services to help you balance the demands of military life. The Military and Family Support Center is one part of the overall Family Readiness System, which is the network of agencies, programs, services, partnerships and individuals that supports your personal and family life readiness, mobilization and deployment readiness, and mobility and economic readiness. It should be one of your first stops once you arrive at a new installation. The programs and services are a key resource for you and your family. They include:

Deployment support assists you and your family during all phases of the deployment cycle, providing workshops and services to help meet the challenges of deployment, as well as information and referral to deployment-related resources. Services include education briefings for deploying members and families, support services, morale calls and service-specific programs.

Personal financial management provides information, education and one-on-one financial counseling to assist you and your family in maintaining your financial readiness. Services are designed to address money management issues throughout your active-duty lifecycle and into retirement. Financial readiness educational opportunities range from basic planning to long-term investing.

Employment assistance offers comprehensive information, tools and resources to support career exploration, training and licensing, and employment readiness. Military and Family Support Centers may offer career counseling, local labor market information, trend tracking, skills and interests identification, job bank referrals and resources for self-employment.

Family life education provides information and education to assist you and your family in developing resilience skills that can help as you navigate your mobile military lives.

Information and Referral with Relocation can assist you in identifying and clarifying needs to determine appropriate forms of assistance and in locating services and programs available both on and off your installation.

Relocation assistance provides an array of services to meet your moving needs. Relocation services include, but are not limited to, relocation workshops that help you prepare for a move, information on installations and communities worldwide and, where offered, a loan closet for basic household items. Relocation assistance also includes assistance with in-transit emergencies. Military and Family Support Centers work with other installation agencies to keep relocation information current, timely and relevant to allow you to make informed decisions and ensure you experience a smooth and successful move.

Military and Family Support Centers may provide other services, such as counseling and family advocacy. Services vary by location.

Installation Specific Information

The Family Center is located at the Marine and Family Services Center, 40 Brewster Boulevard, Camp Lejeune, NC. The Administrative Office number is 910-451-9381. Additional services include Loan Locker; call 910-450-8486. To schedule TRS or Pre Retirement call 910-451-3212.
Employment - Overview

Employment Options

The Transition Readiness Branch provides military personnel and their family members with guidance, counseling and assistance in exploring their options for civilian employment. Both TRB and Family Member Employment Assistance Program (FMEAP) offices have a computer laboratory with job vacancy listings. Counselors are available to assist you with career counseling and assessment, resume creation, federal job applications and job searches.

The current unemployment rate in Onslow County has remained below the national and state levels at under 10 percent. Additional assignments, construction on the local bases, and new business ventures are providing a boost to the local economy.

Good Prospects

Service industry and fast food service are in demand. Self-employment opportunities are available to be a childcare provider through the Camp Lejeune Children and Youth Programs.

Poor Prospects

Jacksonville has limited industrial capacity. Also, opportunities for entering Federal Civil Service for the first time at Camp Lejeune are limited.

There are nearly 6,000 civilian employees aboard Camp Lejeune. Many of these are dependents that move with their sponsor to new duty stations. Currently the many activities are in need of supervisors and hourly workers in many areas. For specifics please go to www.mccslejeune.com/jobs. Additionally, there are many personnel in a variety positions currently working with multiple contractors to support all ongoing activities aboard the base.

Employment Documentation

Be sure to hand carry all employment records and information such as: resumes, federal applications, copy of PCS orders for spouse preference, transcripts, certificates, licenses, etc.

Unemployment Compensation

Unemployment compensation may be available for the spouse of a newly assigned military member or civilian employee. For more information contact the North Carolina Employment Security Commission.

Transition Assistance

This is a Department of Defense program that provides a hiring preference for military service personnel and their family members that have been affected by the downsizing of our military forces. Transitional Assistance preference applies to positions graded as NF-3 and below and equivalent hourly paid positions. If you have been affected by the military downsizing you may qualify for this special preference in the selection process. For more information, click here.

Relocation Assistance

Programs and Services

If a permanent change of station, or PCS, is in your future, you may have questions about moving. As part of the Military and Family Support Center, the Relocation Assistance Program provides services and resources to help make this transition as smooth as possible. Here’s what they offer:

Individual PCS planning — Most relocation programs offer one-on-one consultation. In particular, those making their first military move, those making their first overseas move or those with challenging or complex situations should contact the relocation assistance office.

MilitaryINSTALLATIONS and Plan My Move — For managing and planning your move, you may want to take advantage of these DoD-sponsored online relocation tools. You can estimate expenses, locate forms for housing and property shipments, and create a moving calendar.
Loan closet — Where available, loan closets offer basic household goods while your personal property is in transit. Typical items include pots and pans, dishes, silverware, irons, ironing boards and infant or toddler car seats. Generally, towels and bed linens are not available, so these should be packed in your express shipment.

Workshops and briefings — Workshops vary from installation to installation, but you may find classes on purchasing real estate and renting, budgeting and finance, moving with children or general moving preparation.

Pre-departure briefings — These briefings may be called Smooth Move or PCS Briefing, and they provide essential information to prevent you from making uninformed and costly decisions before your move.

Settling-in services — Welcome wagon services, local area tours (with child care sometimes provided), or basic household items to use until your goods arrive may be a part of your installation’s settling-in services. Overseas arrival services may include introductory language classes and cultural awareness training.

Foreign-born spouse support — Whether your question concerns immigration and naturalization, learning the English language or how to use local transportation, the relocation program provides assistance, classes and referrals.

Emergency assistance — From time to time, emergencies occur while moving. The Relocation Assistance Program office has the resources to provide emergency financial assistance and referrals.

Installation Specific Information

The Personal Readiness and Community Support Division is the best point of contact for relocation information and assistance. You can get up-to-date information about your new base and community before you move, learn how to prepare for your move, get help in planning your moving costs, check out the job market and learn new skills to reduce the stress of moving.

Relocation Assistance Program -- This program is available to active duty military personnel, their family members and military retirees. The program manager can provide the relocation information you need, when you need it. If departing from Camp Lejeune sign up for your individual relocation planning session as soon as you know you will be moving. Look for announced Moving Seminars. We provide numerous seminars on moving. If you are assigned to Okinawa, the Welcome to Okinawa brief is a three-hour seminar covering items you should be aware of before you arrive in Okinawa and for your tour there. Similarly, the "Got Orders?" seminar covers going to all other bases and transitioning out of the military. Thinking about buying or selling a house as part of this move. Attend the "ABC's of Buying and Selling a Home." All these briefs are held to help you make a smooth transition from one base to another or back into the civilian world.

Military Children, Youth and Teens -- Your kids can go to the World Wide Web and check out the Military Youth on the Move, a new Internet site that caters to teenagers of service members and DoD civilian employees.

The Loan Locker -- We have foldout mattresses, kitchen kits, small kitchen appliances, ironing boards, high chairs, booster chairs, strollers, and portable cribs. These items are checked out on a first-come, first-serve basis for 30 days. Extensions will be granted depending on each individual case. There is no cost for you to use this program.

Information and Referral -- Provides relocation type activities to active duty military personnel, their family members and military retirees and provides the relocation information you need, when you need it. If departing from Camp Lejeune sign up for your relocation planning session as soon as you know you will be moving. Look for announced Smooth Move Workshops. We provide numerous workshops on moving throughout the year. These workshops are designed to help you make a smooth transition from one installation to another or back to the civilian sector.

Welcome Aboard information is available on our website to assist you prior arrival. Once you arrive you will be provided with basic information during your visit to the Joint Reception Center to commence the check in process.

Sponsorship Training -- The sponsorship Program has been established to ensure a sponsor is assigned to assist transferring service members and family members prior to and after arrival at their new duty station. Personnel assigned overseas in the grades of E-1 through E-5, WO-1 through CWO-2, O-1 through O-3, and all overseas accompanied personnel will be assigned a sponsor. Other personnel will be assigned a sponsor upon request. Seminars provide training for the unit’s sponsorship coordinators and sponsors.

Video Library -- Videos on all Marine Corps Bases (DVD and CD-ROM) and many overseas countries (VHS) are maintained and available for your viewing at the Relocation Assistance Program Office.

Maps and Directions -- Auto Maps are available upon request.

Loan Closet

Items Available

The Loan Locker is a free service that provides the basic essentials to a service member for setting up a temporary
household. You may check-out the following items: sleeping pads, kitchen kits, microwaves, small kitchen appliances, ironing boards, high chairs, strollers, and portable cribs.

**How to Borrow**

These items are signed out on a first-come, first-serve basis for 30 days. Extensions will be granted depending on each individual case. Personnel are required to bring a Military Identification Card with a copy of Original Orders.

**Family Advocacy**

**General Program Description**

The Family Advocacy Program is the congressionally designated program responsible for the prevention of and response to child abuse and neglect and domestic abuse / intimate partner violence in military families. The Family Advocacy Program works in cooperation with military and civilian medical providers, law enforcement, legal personnel, chaplains, and child and youth programs to provide a coordinated community response. The goal of the Family Advocacy Program is to promote the prevention, early identification, reporting and treatment of child and spouse abuse.

Program services vary by installation and generally include the following:

- Public awareness campaigns, education and support for couples and parents
- Parenting support at every age and stage, including New Parent Support Program home visits for expectant parents, new parents and families with young children
- Safety planning, advocacy and support for domestic abuse victims
- Clinical treatment for offenders and all affected family members as appropriate provided by MEDCOM

**Prevention, Education and Outreach**

Family Advocacy Program prevention, education and outreach services vary by installation and may be offered in coordination with military or civilian partners. Contact your installation Military and Family Support Center or Family Advocacy Program for local listings. Sample services include the following:

**Call 911 or law enforcement if you witness domestic abuse or someone is in immediate danger.**

**Domestic Abuse Reporting Options**

**Restricted report:** In most instances, domestic abuse victims may request a **restricted report**, which allows for confidential medical care, counseling, victim advocacy and support services, such as safety planning and legal assistance, without command notification or a law enforcement investigation. A victim must contact a medical care provider or Family Advocacy Program professional to request the restricted reporting option.
Unrestricted report: If a domestic abuse victim requests an *unrestricted report*, the sponsor’s commander is promptly notified, law enforcement is involved and administrative action against the offender may be taken. The victim remains eligible for all victim advocacy services, including safety planning, legal assistance and specialized support. Contact military law enforcement or the Family Advocacy Program to make an unrestricted report. In an emergency, call 911.

Eligibility Requirements

Family Advocacy Program services are available to service members and family members eligible for care in a military treatment facility. Intimate partners and others may qualify for limited support and referrals as appropriate. Contact your installation Family Advocacy Program for details.

Financial Assistance

Financial Assistance

Managing your financial affairs in the military can be a challenge, especially if you are new to the service. There are frequent moves, unexpected deployments, new schools, and temporary assignments that require you to become a good money manager. The Semper Fit Division with Marine Corps Community Services at Camp Lejeune has a Personal Financial Management Specialist on staff that can help answer your financial questions and provide emergency referral assistance.

**Personal Financial Management Program (PFMP)**

The *Personal Financial Management Program (PFMP)* is provided as part of Marine Corps Community Services (MCCS) through the Personal Readiness and Community Support Branch, offices are currently located in Buildings 302 and 40. The program promotes personal and family financial responsibility, through education, designed to enhance unit readiness. Periods of instruction are provided to units or groups upon request and can be conducted at times and locations designated by the unit. To encourage individual participation, as well as spouse attendance, financial workshops are routinely scheduled to meet at the Semper Fit Classroom, Building 302, from 1:00 - 4:30 p.m. Class titles and specific dates will be announced in the GLOBE and through MCCS advertisements, or by calling the numbers listed below. Classes and individual counseling are open to all active duty, retired, and reserve personnel and their spouses, as well as DoD and NAF civilian personnel. For more information or to schedule unit/group training or an individual appointment, call the PFMP program manager at 910-451-2865.

Temporary Lodging Expense
This allowance is paid when members transfer with or without dependents to the first Permanent Duty Assignment or any time a change of station move involves CONUS moves. The rates vary by location; however, there is a maximum amount that will be allowed. This is a reimbursable requiring receipts to obtain pay back. Local housing costs vary by type; Apartments range from $480 to $1175 + amenities. Rental homes range from $600 to $3000 and the median cost of homes in Onslow County is between $145,000 and $153,000.

Car Insurance
The minimum requirements of liability insurance for a private passenger vehicle are $30,000 for bodily injury for one person; $60,000 bodily injury for two or more people and $25,000 property damage. North Carolina law requires each company to notify the DMV when coverage has been cancelled.

Advance Pay
The purpose of advance pay is to give funds to a member to meet extraordinary expenses incident to a Permanent Change of Station (PCS). It is intended to assist with the out-of-pocket expenses, not typical of day-to-day military living, that precede or exceed reimbursements incurred in a member's change of duty locations. Service members are normally required to pay this advance back, in the form of a deduction in pay over a twelve month period. The member's commander has a responsibility to ensure that an advance of pay is used only to help with the financial burden of a PCS.

Emergency Assistance
Planning for Emergencies

American Red Cross
American Red Cross links members of the U.S. Armed Forces with their families during a crisis. Twenty-four hours a day, 365 days a year, the Red Cross quickly sends emergency communications to deployed service members on behalf of their family.
