Hands-on Learning for the Career of a Lifetime

The California Department of Water Resources offers a paid apprenticeship program that can lead to a fulfilling and lucrative career in the hydroelectric industry.

The program combines hands-on-learning, classroom and home study, with supervised on-the-job training. Through apprenticeship you can gain the experience, knowledge and confidence necessary for the career of a lifetime.

Employment Opportunities:
Hydroelectric Plant Electrician Apprentice
Hydroelectric Plant Mechanic Apprentice
Hydroelectric Plant Operator Apprentice
Utility Craftworker Apprentice
